SUMMER DIE-HARD BARBECUE

It's time to clean out the freezers and treat the Cholla Summer Die-hards to one last party for the season. Agnes & Lew are planning a Summer Barbecue for Saturday, July 3rd at the Cholla Bay Community Clubhouse. The entrée will be grilled chicken breasts. The grills had quite a work out at our annual steak fry, but are ready to go for this event. The grilled chicken breasts will be trimmed with potato salad, cool seasonal fruits and fresh Mexican bread. The dinner will cost \$10 for members and \$15

for their guests. The bar will open at 6:00PM with the usual all-you-can drink beer and wine. Dinner will be served shortly afterwards. After dinner, Lew will break out the LEFT • RIGHT • CENTER! dice games. It's a whole lot of fun, requires absolutely NO skill or sobriety to participate. Bring your single dollar bills for the game. You might leave the table a winner, without dancing on it! Before, during and after the general meeting on July 4th, we will be having our annual clean-out of the freezers which will be accompanied with a Bloody Mary open bar! We hope to see all of our members out for this first and ONLY OBSC event of the Summer.

ANNUAL STEAK FRY

John & Linda Perrotta and Jerry & Karen Caballero did a fantastic job planning, organizing and hosting our annual May steak fry back on the 8th of May. They ordered a perfect Spring evening enjoyed by nearly 70 members and guests. Helen Dahlstrom did another terrific job behind (not on top of) the bar! After

dinner, Pat Sledge and friends broke out the OBSC bingo balls to the delight of our gamblers. Agnes turned out to be the big winner scoring a \$65 win in the final game. Thanks again to our latest OBSC heroes, John, Linda, Jerry & Karen for another great evening of OBSC FUN!

FIDDLE FADDLE

Lew Felton, OBSC President

I first came to Cholla more than 42 years ago to fish with my dad in 1968. Cholla changed very little through the first 25 of those years. Cholla has seen vast change and improvement since the early 90's primarily due to one man, Alan "Pete" Peterson. We all lost a great friend when Pete lost his courageous battle with cancer on April 2. Our beautiful Club House will always stand as one his many contributions to the OBSC as well as the entire community. The clubhouse has been dedicated to Pete where we will toast his memory and a life well lived. So long, Pete.

24th Annual BASH!! A DUDE BASH

Our Bash Dudes, Pat Sledge & Lew Felton sure know how to PARTY!! The Bash guys ran a smooth Bash, running like a fine Swiss watch. Nearly 300 people enjoyed our traditional barbecue and all our usual trimmings. Those attending enjoyed a new band performing American as well as Mexican favorites. Rick's drunk tank was splashing with members and younger guests. Linda kept the winos happy with the wine wheel all afternoon. Scott Campbell spun the money

wheel, which paid out all lots of bucks. The chicken drop was popular as ever, thanks to Steve & Pat Lee. Mr. Bill's high striker was front and center this year and the bell was ringing with the splashes from the drunk tank. Jerry Ketelhut, Jr and his posse ran a perfect kitchen, feeding the hungry crowd. Pat Goodin and Barbara Dammann gave away lots of great prizes, including the top \$500 prize to Katie Parker. Shirley Peterson won the \$300 second prize. Terry Himes won \$200 and \$100 went to Helen Dahlstrom. The President of the Lion's Club made a surprise presentation of a beautiful plaque to the OBSC in appreciation of more than twenty years of support. Most importantly, the Bash Dudes would like to thank the members for stepping up once again to sell their raffle tickets. Over 4,000 tickets were sold, which was a little light compared to past years (\$5,000 +). But, this will enable the OBSC to make contributions to the local Lion's Club and the DIF, if not as generous as in the past. Which is STILL pretty good for a club with no purpose, mission or agenda!
